FRANKLIN COUNTY PUBLIC SCHOOLS (B.Y.O.T.)
PERSONALLY OWNED COMPUTING/NETWORK DEVICE**

**ACCEPTANCE OF RESPONSIBILITY AND DEVICE USE
AGREEMENT PERMISSION FORM**

I/we give permission for our child/student, _____,
(printed full name) to use a personal electronic device on the wireless
network at _____ (printed
school name).

I/we agree to allow my child/student to use his/her own device and further agree not to hold Franklin County Schools (FCS) responsible for any device or data loss, theft, damage or other associated costs of replacement or repair incurred during the school day or at home as a result of participation in this program. I/we understand that school based staff shall be unable to store, support or troubleshoot student owned devices. The student named above shall take full responsibility for the device and shall appropriately secure all devices when not in use.

FCS uses technological measures such as filtering to promote internet safety. Filtering limits students' ability to access harmful internet sites from any device connected to the FCS network, but only when this equipment is used in school on the FCS network. Access through cellular networks does not provide the same measures of filtering. Students shall only use the FCS network (**not a private cellular service**) for internet access during the instructional day while on FCS property. I/we understand the above rules and policy for connecting a personal electronic device to the wireless network at school and agree to follow the rules outlined.

I/we have verified my child/student is aware that all aspects of Franklin County School's *Use of Wireless Communication Devices Policy #4318*,

Technology Responsible Use Policy #4312, and the FCS Student Code of Conduct apply to the use and care of his/her personal device(s) while on FCS property or while involved in any FCS sponsored event/activity.

I/we understand that the purpose of allowing my child/student to use his/her own device is to participate in **teacher approved** activities in support of the FCS curriculum. Use of devices for non-instructional activities, unrelated to the FCS educational program is prohibited during the school day.

I/we have read the FCS Privately Owned Electronic Device Guidelines concerning the use and connection of privately owned electronic devices to the FCS wireless network and understand and agree to the terms and conditions herein. I/we understand that this policy form and the privilege to use privately owned electronic devices in school can be revoked at any time.

I/we agree to allow our child/student to bring his/her personally owned computing device for instructional use in Franklin County Schools (FCS). I/we understand that the child/student named above shall be permitted to use his/her personally owned device, subject to the conditions in this document.

I/we understand that assignments and projects may be posted to teacher approved blogs, Google Docs and other web 2.0 hosting sites. This may include personally identifiable information that may be classified as an educational record under FERPA (Family Education Records and Privacy Act).

I/we understand that violation of these provisions may result in the confiscation of a personal electronic device by the school administration, any other designated school system representative, or local law enforcement and that legal action may occur according to law.

I/we understand that we are responsible for compensating the school system for any losses, costs or damages incurred due to violations of FCS Board policies/procedures and school rules by the child/student in conjunction with the use of his/her personal electronic device, including the cost of investigating such violations.
